

Shenzhen Chenjie Electronics Co.,Ltd.
Dongguan Chuangjiang Electronics Co.,Ltd.

Address: F8, Bld.1, Huawei Kegu Industrial Park, Dalingshan Town
Dongguan City, Guangdong,China

Tel:0755-26518500

Sales Manager: Eric huang

Phone:+86 18028993261

Email: sales@cj36.com

WhatsApp: +86 18028993261

Chenjie's products are mainly used on garage door, roller shutter, retractable door, signo door, water pump switch, LED light switch, motor's positive-negative rotating, family security and so on.

With our brilliant management concept, advanced production equipment, professional assembly procedure, first-class technology level, and constant efforts on improving the quality, now our company has more than five products series: wireless remote control series, wireless receiver module series, wireless receiver series, wireless sensor system, infrared and correlation series.

ENTERPRISE BRAND

1

Our mission at the Chenjie Electronic team provides high-quality products at the best possible price. And, in doing so, to provide an unmatched customer experience.

2

Chenjie Electronics founded in 2003, Our business is technology and we really love creating ingenious solutions, but we know something about people too. We know that happy employees make customers happy. Our employees love their jobs, and the feeling of being part of a family.

Our friendly work ethic is everywhere – from the front office to the warehouse and smiles are one of our most important products.

Give us a call – you'll see the difference.

Chenjie Electronic is a full service manufacturer of remote control system. Our products include custom electronic controls and switches, control panels, and wireless remote controls. We serve customers in the appliance, and industrial products markets worldwide.

Our modern production facility coupled with global alliances allows us to offer competitive pricing and timely delivery.

Our ISO9001 certification assures you of top-quality products. As a company focused on research and development, the products shown on our site are indicative not only of the items we offer, but also of our capabilities.

Our engineers and designers are always taking on new assignments.

If you have an electronics development project, we are eager to take on any challenge.

Chenjie team mission is provide an unmatched customer experience

Founded in 2003, Chenjie Electronic earn more and more respect from many countries' customers. We own and operate over forty thousand square meters of manufacturing, research& development. More than 100 employees and 6 experienced designers.

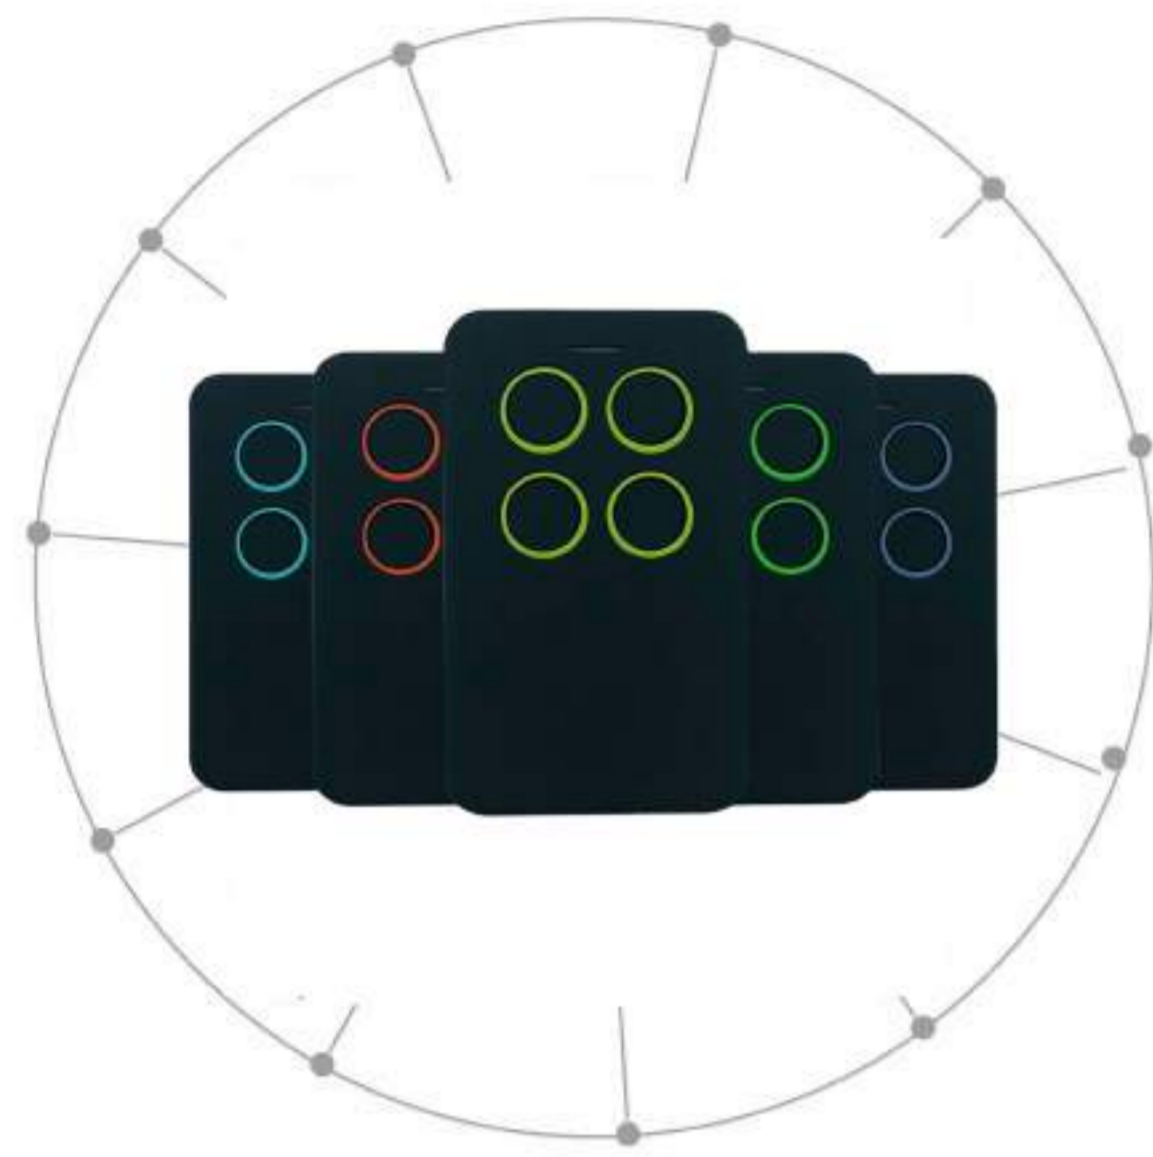

Our mission at the Chenjie Electronic team provides high-quality products at the best possible price. And, in doing so, to provide an unmatched customer experience.

Certificate

Multi Frequency Auto-scan Remote Control Duplicator

CHJ-024KB

280Mhz to 868Mhz remote control duplicator
Voltage:6V
Frequency auto-scan

CHJ-025KB

280-868Mhz remote control duplicator
Voltage:3V
Frequency auto-scan

CHJ-063KB

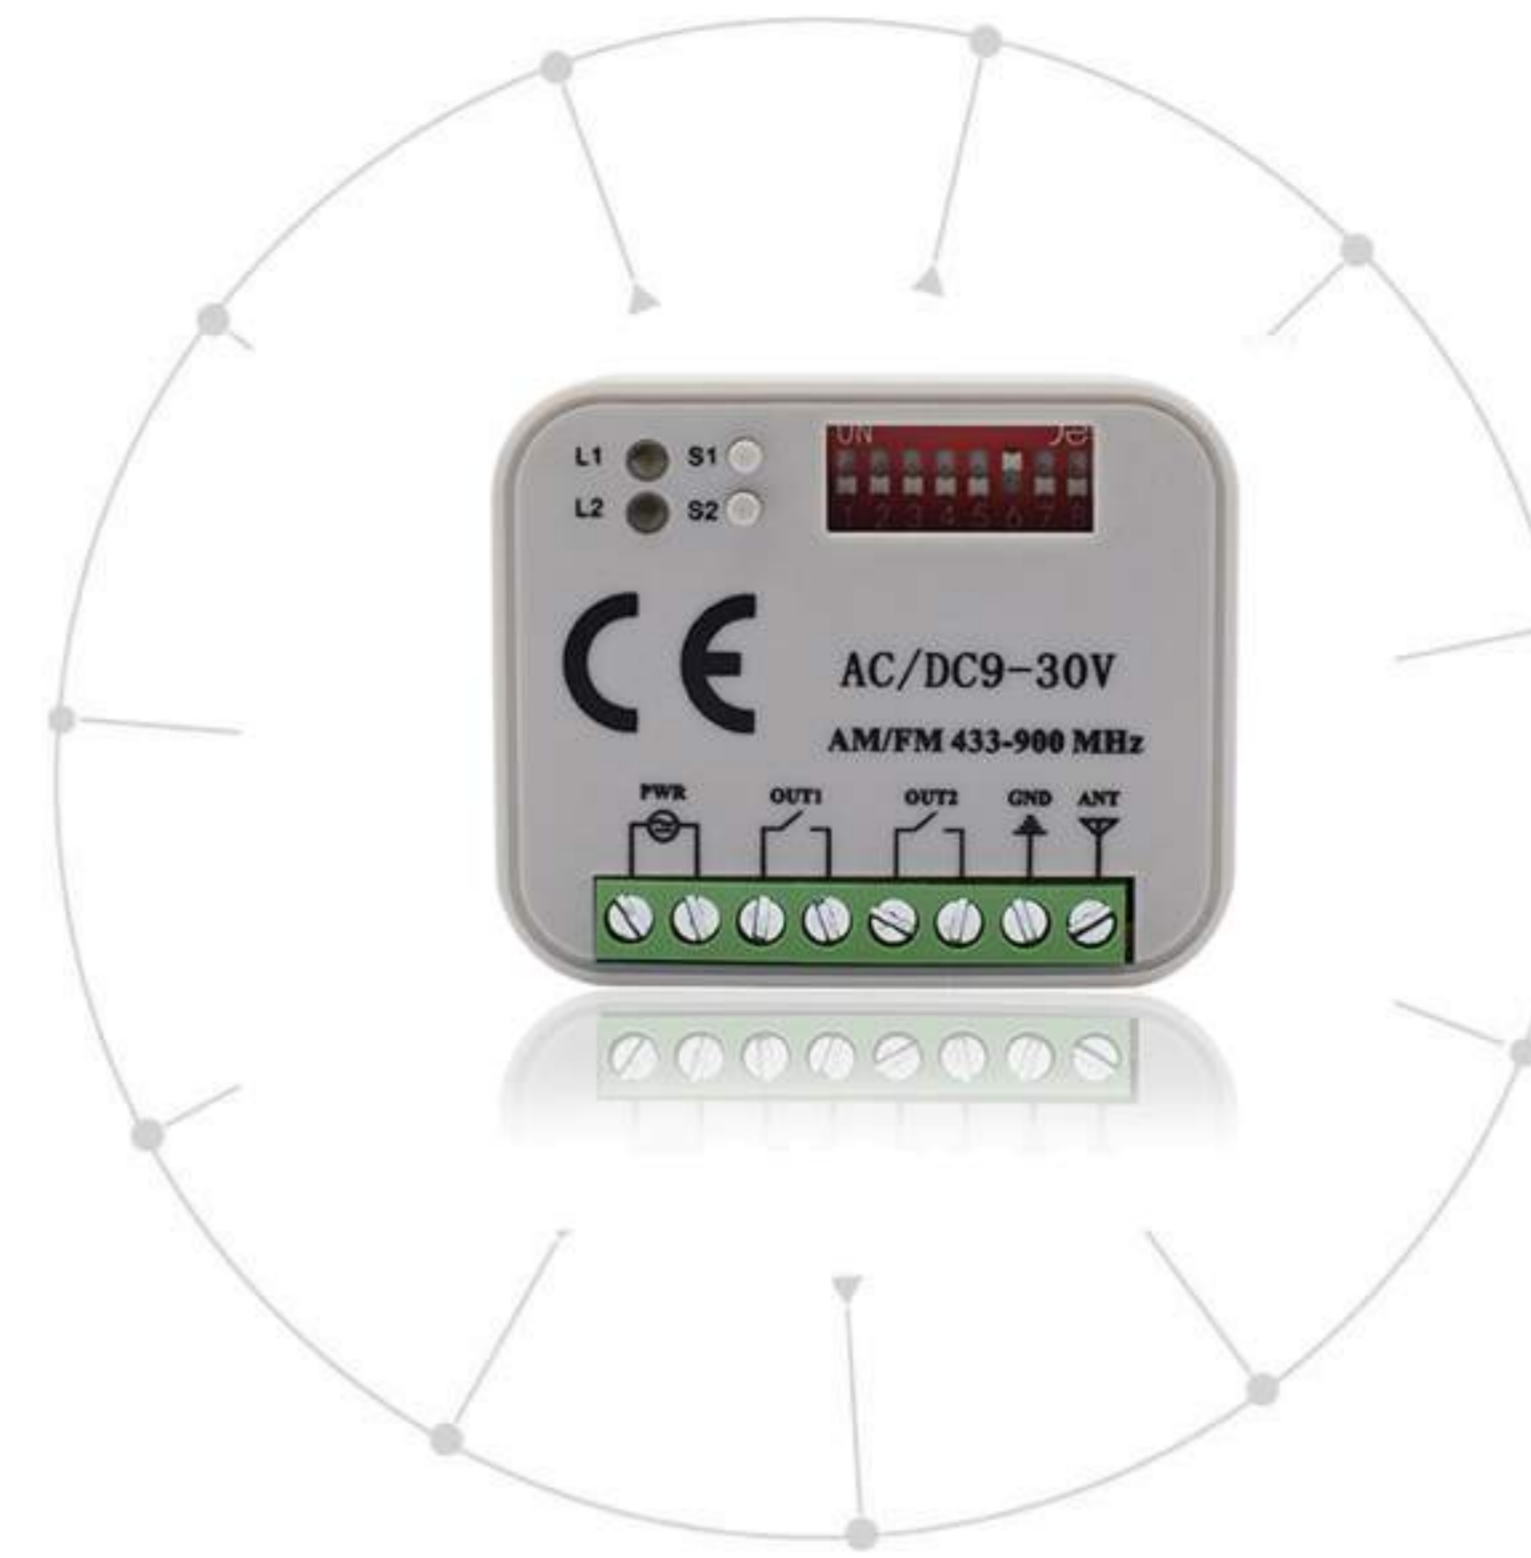

Universal Gate Remote Control

CHJ-7787KB

Frequency: 433Mhz | 315Mhz
Face to Face Copy Clone
Button slide cover to protect buttons avoid accidental unplanned operation

Multi frequency receiver

CHJ-C85

Technical Parameter

Work Frequency: 300-900Mhz
Operating Voltage: 9V-30V
Distance: 30-50 meters
Can identify ALL Fixed code & Learning code

433MHZ Remote Control 4 Channel Clone Type

CHJ-028KB

Frequency: 433Mhz | 315Mhz
Multi-functional and multi-variable,
personalized and user-friendly
simple design and fast to use.

New Remote control

Technical Parameters

Working Current : $\leq 12\text{mA}$

Static current : 0

Frequency : 315M/433M/others

Frequency deviation : $\pm 75\text{KHz}$

Oscillation resistance : under your requests

Transmit distance : 50-100m

Frequency modulation : AM

Applications : Home alarm, car alarm, industrial control and others;

Chip: A. Common code: learning code(1527,2240,HT6P280B,Ht6P20D ect.)
fixed code(2260.2262 etc.) rolling code(HCS301,300,200 etc.)

B. Copy code: with the special chip which can copy other remote control and replace it, can be used independent.

CHJ-001KB

Frequency: 868Mhz
Dimension:60*35*10 mm
Voltage:12V
Remote control duplicator
Applicable to HORMANN blue buttons

CHJ-003KB

Frequency:433Mhz | 315Mhz
Voltage:3V
Automatic code matching
High resistance to infection
Channel Supported: 4 Channel

CHJ-011KB-4

Frequency:433Mhz | 315Mhz
Voltage: 3V
Channel Supported: 4 Channel
Suit for Chip model:2260(all manufactures),
2262(all manufactures), 2240(all manufactures)

CHJ-1000E-4

Frequency:433Mhz | 315Mhz
Voltage: 12V
Remote control distance:1000m (in open sapce)
Dimension:93*10*15 mm
Oscillation Resistors: 4.7M

CHJ-042KB

Frequency:433Mhz | 315Mhz
Voltage: 3V
Dimension:47*27*12 mm
Remote control duplicator
Wide range of applications

CHJ-029KB

Frequency:433Mhz
Voltage: 12V
Copy Remote control
Dimension:56*32*10mm
Wide range of applications
